

This is an Information Leaflet about

DUNURE COMMUNITY COUNCIL

Dunure Community Council is one of over 1,000 Community Councils operating throughout Scotland. Its purpose is to support and complement South Ayrshire Council in its matters of policy and operation; to ensure proper consultation on issues which affect the Community; and to express the wider views of the entire community. Over the past year or so, we have worked closely with South Ayrshire Council and other Public Authorities to ensure better road surfacing on Station Road, and at Pennyglen; regular road inspections and repairs to potholes; a traffic speed survey on Station Road; additional signage on Castle View; the installation of new Notice Boards in Kennedy Drive, and at Kennedy Park; and we will shortly install new Football & Rugby Posts in Kennedy Park. We have helped the Kennedy Hall & Park Committee, the Dunure Youth Club, the Dunure Environmental Group, and the Fisherton Primary School & Nursery Class Parent Council with funding and various other initiatives.

Our Website (www.dunure.net) has more information. You will see our Latest Campaigns to improve the Community. There are Minutes of Meetings. There are Links to the Bus Timetable, the Mobile Post Office, the Mobile Library, the Bin Collection Cycle, and to local Businesses. Please take a look.

At the moment, we are represented by five volunteers from within the Community. But we desperately need more volunteers. Any resident over 18 years of age with a passion and a determination to make the Community a better place to live-in, and to visit. If you want your Community to survive and thrive, then please help us. If you have some time, *even as little as an hour per month*, then please join us. You can contact us through the Website, or directly (information available on Notice Boards). Thank-you.

Immediate Vacancies:

1. A Secretary (may be payable)
2. 2-3 Members
3. 1-2 Persons to represent the Community with "North Carrick Community Benefits"
