Mr Peter Mason asked to have a few minutes at the beginning of our meeting to talk about the North Carrick Community Benefit. There will be a meeting on Monday 28 April in Maybole Town Hall and he asks for representation from our Community Council. This meeting will involve the local communities, Banks (who intend to submit planning application for wind farm on Knowside Hill) and Cassillis and Culzean Estate. We assured him we would have members present at this meeting. If this Wind Farm goes ahead there will be financial benefit for the communities over a period of years.
