### **ADOPTION OF MINUTES FOR MEETING OF 17 September 2013**

Proposed: Mr E McQuade, Seconded: Mr P Findlay.

**Julia Whitaker (Ailsa Horizons) attended our meeting to talk about North Carrick Community Benefit. A meeting was held in Maybole Town Hall to which Roy Storie and Phil Findlay attended. This Association is being formed to assist in getting any benefits from Wind Farms if and when they should happen, and it was agreed at our meeting that as a council we should have representatives on this. Julia was thanked for her attendance and information given.**

**POLICE BUSINESS:** Fortunately there was very little to report as there were few incidents during the last month and they were of a minor nature.

**COUNCILLOR'S REPORT:** Councillor Goldie again warned of many cuts in services as the financial position of the Council is getting worse. We again informed her of the poor condition of Station Road at the corner near the harbour. Mrs Ward mentioned that the bonfire/fireworks had to be cancelled after a communication from South Ayrshire Council. As this is on private land she wondered why the Council

was getting involved. Councillor Goldie asked to get a copy of the letter and she would look into this.

Mr Storie mentioned that the Annual Audit had been completed in June but has had queries from S A C about this. Also Secretary had to confirm the number of meetings as a letter indicated they had not received minutes when in fact these has been emailed.

### **MATTERS ARISING:**

- **Lighthouse:** Mr Storie thanked Ms Whitaker for her help in this project.
