

A meeting of the above Council was convened on 11th February 1986 in the Kennedy Hall Dunure.

Sederunt Mr JKR Melrose (Chairman) Mr JA Scobie (Vice-Chairman)
Mr Hugh Ralston (Treasurer) Mrs AWB Kerr (Secretary)
Mrs S Turnham Mr R Corson Mr W Crawford Mr R Storie
Const S Philip Mr MCD Stewart (British Telecom)

Apologies for absence Mrs Roberts Chief Inspector Pringle

Minutes The minutes of the previous meeting on 10th December 1986 were taken as read and adopted on a proposal from Mr Crawford seconded by Mr Hugh Ralston.

Matters arising from Minutes

1. Treasurer's Report After a grant of £50 to the Hall and Park Committee £144.09 remains. A letter of thanks from the Hall and Park Committee was received.
2. Railway Bridge Parapets No reply has been received.
3. Overhanging trees This work has been done.
4. Flooded ares at Fisherton and Carrick Place The Council agreed to telephone the farmer to have the culvert cleared.
5. Overhead Cables Mr J MCD Stewart Executive Engineer British Telecom attended the meeting. He explained the BT policy with regard to overhead cabling. BT went to great lengths to preserve the beauty of the landscape and were busy replacing existing plant. This was unlikely to happen in Dunure in the short term but the situation would be monitored and a commitment made to improve the amenities perhaps in two or three years' time.
6. Bus as social centre. No further information on this subject.
7. "Private" notice on road to old cemetary This notice has been removed.
8. Woodcutting Scheme A letter was received from WCCDC advising the Council of a supply of logs for pensioners. It was agreed that pensioners who would benefit from this scheme would be notified.
9. National Seminars- Community Councils A notice was received advising Community Councils of seminars in various cities in Scotland. The Council noted.
10. Carrick Community Transport Group The minutes of the meeting on 12th December 1985 were received.
11. Home Improvements in Scotland- A new Approach A copy of this document was received from Mr Foulkes. The Council noted.

Any other business

The Council decided that Mr McLean Divisional Engineer SRC should be told that the Council was delighted with the improvements to the pathway from the Croft to the village but was concerned about the undermining at the edge of the pathway which drops down into the fields.

The Council decided to telephone Mr McVie the Environmental Officer about the dumping of rubbish in Castle Road Dunure.

Date of next meeting 11th March 1986

Meeting closed at 8.45 pm
