Councillor's Report:

- Councillor Goldie – Handed Report by Head of Communities to the SAC Partnerships Panel - Work Programme for 2015 from Meeting she had attended in Ayr on 21st April 2015. Relating to Police/Fire Services/Ayrshire Roads Alliance/Ayrshire & Arran Tourism Team proposals for 2015.
- Again we complained about the state of the road surfaces Kennedy Drive and Arran View as they are so badly in need of resurfacing for not only the safety of car users but for the safety of the children riding bikes.
- Councillor Goldie had mentioned that before the meeting she was speaking to a member of the community who was saying that the paintwork of the hall was badly in need of doing. We advised her to contact Hall & Parks Committee. They hold their meeting every second Tuesday of the month.

We brought to Councillor Goldie's attention that on the Road Improvement Plan 2015/16 - Dunure did not even have a mention and we were very disappointed.

Action : Councillor Goldie checking into Insurances for Community Council.

We asked why the insurance had dropped from £10,000,000 to £5,000,000? And would this now be adequate for us?

Link Officer's Report:

Colette McGarva, Link Officer had handed in her apologies for this evening. Although she had sent an email saying that Steven Izatt and his wife, Linda have secured more funding for children's apparatus in a play area. This will be discussed at next month's meeting when Colette and Steve are present to discuss the next stage.
