### 1. ADOPTION OF PREVIOUS MINUTES (21 June 2016):

Proposed: Angus Craig / Seconded: Andy Guthrie.

### 2. POLICE REPORT:

A number of Incidents were reported throughout the wider Dunure Community boundary during July and the early part of August, including general assistance to members of the public, a public disorder (breach-of the peace), four livestock control issues, eight road-traffic issues (mostly speeding motorbikes), one garage fire, and the theft of a boat trailer. The Police Officer was thanked for his attendance, and left the Meeting at this point. Separately; it was noted that the metal gates to the upper-part of the interior of Dunure Castle have been padlocked. Our thanks to Janey McCreath (Kennedy Hall & Park Committee) for this.

### 3. COUNCILLOR'S REPORT:

No Councillor present. There has been no representation from SAC for the past two meetings. Steve will send an email to Colette requesting clarity on this matter.

### 4. LINK OFFICER'S REPORT:

No Link Officer present. Colette had sent her apologies. A summary of the key issues which Colette is assisting with, is as follows:

- (a) Castle Burn Debris: The advice received from SAC (Housing) was noted. It was agreed that the affected householder(s) should monitor the condition of the Burn, take photographs, and begin to build a case to present to SAC.
- (b) Dunure Community Action Plan: A meeting is to be arranged to discuss how this 5-year Plan is best moved forward. Participants to be identified. Dates to be agreed.

- (c) Administration Grant: Roy confirmed that the Financial Audit has been completed, and we have received our Grant of £600.
- (d) Ayrshire Roads Alliance (ARA) Issues: A summary of the remaining issues is as follows:
- The status of ongoing Inspections (including the provision of copies of Reports). The latest Inspection Reports were received, and some Defects were identified. These have been spray-painted, and will be the subject of temporary repairs;
  - The results of the Traffic Speed Survey recently undertaken on Station Road. No feedback has been provided so far, apart from a brief email advising that the maximum recorded speed was 38pmh, and so no permanent measures will be implemented. If this is the case, we will request a copy of the Results to study, and decide next steps;
  - The “Children Crossing” Flashing-Signs located at Fisherton Primary School are still not operational. This is not good. As the new school term starts on 18 August 2016.

## 5. MATTERS ARISING:

- (a) Alex to check whether he has completed the Office Bearer Forms, and the related Data Protection Forms, and returned them to SAC.
- (b) The new Football and Rugby Posts have been installed in Kennedy Park. Some redundant materials are still to be removed, and a Bollard will need to be installed to one of the Rugby Posts to prevent Cars from gaining access. Steve will follow-up on this with the Installer.
- (c) Alex has been following the installation of Superfast Broadband. There are many aspects to this. But it would appear that progress is being made. BT (Open Reach) Engineers are working at various locations throughout the Community.
- (d) The NCCB Small Grant of £3,300 has been allocated. Steve will circulate Evaluation Reports to all of the beneficiaries.
- (e) It was noted that Jean McGinn had passed a box containing various archives relating to the work of the Dunure Community Council to Elaine McQuade. We will arrange to collect this from Elaine, review content, and decide how best to archive any important content.

## 6. FINANCIAL REPORT:

The financial position, at 15 August 2016, for the Working Fund (Bank Account No. 00584730) is £4,635.78.

Note: Cheques will soon become payable for the Dunure Youth Club (£1,200 as contribution to the cost of their trip to Galloway Activity Centre, and £1,500 as contribution to the cost of new Fire Doors in Kennedy Hall). And so, our balance will be approximately £2,000.
